This screenshot shows the lumiguide website interface. On the left, there is a sidebar menu with options: Stallingen, Bleskley, Brunelto, Kruismarkt, Northampton, Platform, Shelter, Wabuff, and Wabuff Junction. The main content area displays a grid of bicycle availability data, with green and red squares indicating bike status. On the right side, there is a 'Bezet Sinds' (Occupied Since) section for a specific bicycle. It shows a photo of the bicycle and lists the dates and times it was last occupied: 'Donderdag 1 Maart 2018 00:31' and 'Dinsdag 10 April 2018 11:39'. Below this, there is a 'Parkerduuratie' (Parking duration) section showing '1 maand of langer' and a 'Meer Details' (More Details) button.

This screenshot shows the lumiguide website interface, focusing on a specific bicycle. The main content area displays a photo of a bicycle parked in a rack, with a red box highlighting the bicycle. On the right side, there is a 'Beschikbare foto's' (Available photos) section, which lists the dates and times of the photos: '10 April 2018 11:39', '10 April 2018 05:35', '9 April 2018 17:39', '9 April 2018 11:39', '9 April 2018 05:35', '8 April 2018 23:39', '8 April 2018 17:38', '8 April 2018 11:39', and '6 April 2018 00:35'. Below this list, there is a 'Minder Details' (Less Details) button.
