# Spanish Strategic Bicycle Plan

Elaborated by the  
National General Directorate  
for Traffic

Institutional answer to a social  
claim

Aims to promote the bicycle in  
all fields

Common collaborative work  
space with experts from  
different backgrounds

Red de Ciudades  
por la Bicicleta

# Technical Committee and workshops

23  
Workshops

110  
Organizations

+420  
People

+4.600  
Ideas

# Priorities of the Strategy

Red de Ciudades  
por la Bicicleta

**BIKES  
NOT  
BOMBS**

**Achieve a greater bicycle share  
in daily commuting**

**Consolidate and promote  
a national bicycle  
tourism offer**

**Accompany and facilitate  
activities  
of sport and leisure**

**Articulate governance  
and collaboration  
of all the public  
institutions**

# Performance axis

**01** Modal shift to bicycle

**02** Road safety and regulations on mobility

**03** Developments on bicycle mobility

**04** Bicycle tourism development

**05** Entrepreneurship on bicycle

**06** Institutional action

# Strategic areas

Modal shift  
to bicycle

Coexistence of bicycles  
with pedestrians  
and other vehicles

Urban, peri-urban and  
inter-urban cycling  
networks

Business vision  
of the bicycle

Cultural shift  
and  
communication

Leisure and  
sport on  
bicycle

Cycling mobility  
offer

Institutional  
action for the  
bicycle

Gender perspective in  
the use of bicycle

Safe cyclist  
circulation

Cycling  
routes

Health and social  
perspective of the  
bicycle

Regulation and  
administrative  
aspects

Tourism and  
leisure offer by  
bicycle

Red de Ciudades  
por la **Bicicleta**

Red de Ciudades  
por la Bicicleta

# Funding of the Strategy

EU funds

Regional  
and  
national  
funds

Own resources of the tool managers  
and other partners

Market income

Complementary provision of the  
Strategy

# Success of the Strategy

**Availability  
of the resources**

**Capacity and commitment  
of the tool managers**

**Appropriateness  
of the actions**
