Pecha Kucha works best with nice images
Data from schools 2019:
• 50 – 59.3% travel by foot
• 3.7 – 15% travel by bike, scooter, skateboard, flicker
• 14.8 – 35% travel by car (28.8 – 35% when park and stride is included)
When surveyed:

• 44.4% of students said their preference would be to cycle
• 40% said having a friend to travel with would be their main motivation to make the change
